The Maker Movement

Makers believe that if you can imagine it, you can make it. We are productive; we are creative

Makers surprise and delight those who see their projects, even though the projects can be a bit rough

Makers comprise a community of creative and technical people who help one another do better. They

Makerspace Projects

Every Makerspace is unique and the projects that are worked on inside of them are
Here are just some of the things you can do in our Makerspace:
