

Workforce Development, Continuing Education & Strategic Partnerships
September 2021

Dear Campus Community,

and are seeking opportunities to complete case studies in order to build/enhance their portfolios. The program will meet 3x per week for 3 hours each session over 8 weeks and culminates with a team project. Applicants must be prepared to dedicate 6-10 hours per week outside of class time to this program. Program completers will earn a digital badge in UX Design and Intercultural Fluency (21st Century Skill).

Kingsborough is partnering with **Reel Works** to offer [MediaMKRS Industry Upskill](#) courses to students interested in gaining new skills and learn about careers in the media industry. MediaMKRS Industry Upskill courses are self-directed, online skill-building mini-courses created in partnership with leading media companies. Students can take courses with companies like Vice Digital and FilmNation at home, on their own time, and earn a digital credential that they can share with employers via LinkedIn. MediaMKRS' upskilling courses are now available to Continuing Education and matriculated students. For more information, students can complete this interest [form](#).

Register to attend the upcoming free workshops: _____
“ ” on September 9, 6:00pm-8:00pm
“ ” on September 16, 6:00pm-8:00pm
“ ” on October 21, 6:00pm-8:00pm

We have hosted nine (9) volunteer days thus far which consisted of faculty, staff, students (including My Turn program), and community members. We hosted a community student group from PS 53K (District 75 program located on campus next to the library). We also hosted a community student group from PS 53K (District 75 program located on campus next to the library).
