

Dear Campus Community,

Please find below some updates and highlights regarding our work within the division.

### **Center for Career Development & Experiential Learning**

The **Center for Career Development & Experiential Learning** replaced *Symlicity* with **Handshake**. It is a new job search platform that is user-friendly and gives students access to a wider network of employers for job and internship opportunities. Students have the ability to connect with employers more easily and build relationships virtually and in person. All students received an official invite in early June to claim their accounts. They can also go to

The **Hospitality Board** meeting, with members from **Tao Hospitality Group, Resorts World, Alliance for Coney Island, NYC Hospitality Alliance, Serefina Restaurant, Swiss School of Hotel Management,** and **Hunt and Fish Club**, was formed to advise on the trends and needs of the Hospitality industry in order to create training programs. The board consists of both domestic and international experts and business owners. More to come in the fall semester.
