program were admitted by lottery and included a cross-section of all students, not just the top achievers.

The President reminded everyone to attend the upcoming Awards Night on June 10th, and Commencement on June 11th. The Seaside Splash will take place on June 19th with a theme of Calypso Carnival, and an invitation designed and created by students under the guidance of Susan Spivack. Tonight on May 23rd the Athletic Awards Dinner will feature a KCC student who has been named the Scholar-Athlete of the Year.

The President acknowledged several generous grants to the College, including \$500,000 from the Robin Hood Foundation for Learning Communities, \$20,000 from Richmond County Savings bank, and 17 faculty PSC-CUNY awards totaling \$60,000.

Finally, the President urged everyone to inform students about yearlong employment opportunities with the CUNY Core: there are 300 slots available and currently only 17 students have committed to the program, which pays well, between \$12-\$15 per hour.
