Develop a charge and criteria for membership on this committee

Develop operational committees

**Establish a Shared Governance Committee**

Purpose: To ensure that the work initiated by this task force continues and develops further to meet the needs of the institution.

Develop a charge which will include the development of an official KCC definition of shared governance

Charge should include a subcommittee on Governance Orientation which will providing onboarding training and ongoing education on shared governance.

Identify opportunities that formalize training (including live in-person training sessions), mock sessions to practice Roberts Rules of Order, and recorded/filmed sessions.

**Establish a Diversity, Equity and Inclusion Committee**

Purpose: To make recommendations to the administration related to DEI, that promote cultural competency for all members of the college community and promote a positive college climate that values all members of the community inclusive of ability, age, religion, race, ethnicity, gender, sexual orientation, gender expression and identity.

Develop a charge and criteria for membership on this committee

**Establish a Facilities Committee**

Purpose: To make recommendations that enhance the physical environment and serve as a conduit between faculty, staff and students to the administration to provide input regarding facility issues and needs

Develop a charge and any criteria for membership on this committee (if needed)

recommendation excludes chairpersons of academic departments who may serve as committee chairpersons or any other position where term limits are contractually negotiated.

**Upon the completion of the aforementioned updates/revisions/additions to the Plan and the final approval of the Revised - KCC Governance Plan, establish a Task Force to explore the establishment of a Faculty-Only Governing Body**

Explore creation of a faculty-only governing body at Kingsborough. As part of their charge, this task force should address whether such a body would be part of College Council or adjacent to it. Also, the task force should address how this body would differ from the curriculum committee and other academic committees that currently exist, and the purpose a faculty-only governing body would serve.

A brief discussion followed, clarifying the timeline for the next steps and voting procedures through the College Council.
