C. Strategic Planning and Budget Committ

Every five years, in preparation for either a Self Study or Periodic Review Report required by the Middle States Commission on Higher Education, the Committee will report to the Council on changes it proposes to the statement of mission, goals, and objectives, or it will propose reaffirmation of the current statement

The resolution passed by acclamation.

The committee also reported that this year the College needs to review its Mission, Goals and Objectives (MGO). The committee will facilitate this review by asking for campus-wide reactions and responses to the current statement, which was approved in 2005-2006. They will begin by requesting input from departments, and will also distribute requests via all-campus emails to allow responses from individuals from all sections of the college community. The committee will then deliberate on renewing or amending the current mission statement, taking into account the responses they receive.

D. Legislative Committee

The Legislative Committee presented the following resolution concerning the number of delegates and composition of the College Council:

WHEREAS, the Middle States standard on Leadership and Governance mandates

This first section of the resolution was approved by an overwhelming majority, with 3 against and 1 abstention. The next portion of the resolution was then presented to the Council:

Be it further resolved, That the College Council membership be expanded to include one additional Delegate-at-Large seat designated for Emeritus/Emerita Teaching Faculty.

After extended discussion, it was proposed that this section be amended to include the

Be it further **RESOLVED**, That the College Council membership be expanded to include one additional non-voting Delegate-at-Large seat designated for Emeritus/Emerita Teaching Faculty. This seat would have a two-year term. Nominees for this seat would be recommended by the President of the College and appointed with the advice and consent of the College Council, with confirmation to be voted upon at the appropriate May Council meeting; and be it further

RESOLVED, that the language of the College Council Constitution in Articles I and III, and the official annual Elections Memo and Rules be revised to reflect these changes once they are enacted.

The Legislative Committee also proposed the following policy change regarding department elections, and reque

Explanation

The State budget for CUNY in Fiscal Year 2011 that is, the current year includes a the reductions of the past two fiscal years, CUNY has now sustained more than \$205 million in State cuts since Fiscal Year 2009.

The CUNY community colleges received a cut of \$285 per student FTE, which is approximately \$20 million. Last year, in FY2010, the community colleges sustained a \$14 million mid-year cut, half of which came directly from college base budgets. In 2009, State aid per FTE was \$2,675 but this year it is only \$2,260. As a result of these cuts, the FY2011 community college allocation model is funded at only 90% (whereas the FY 2010 allocation, for example, covered 99% of model expenditures). Furthermore, the \$42.8 million in Federal Stimulus funds that the CUNY community colleges now receive is set to expire in Fiscal Year 2012.

The State and City budget outlooks are grim: the estimated State shortfalls for the next three fiscal years are as follows:

- ◇ FY2012 \$8.2 billion
- ◇ FY2013 \$13.5 billion
- ◇ FY2014 \$15.6 billion
