

KINGSBOROUGH

JOHN JAY COLLEGE
THE CITY UNIVERSITY OF NEW YORK
OF CRIMINAL JUSTICE

Abstract

This proposal is for the dual/joint Associate in Science (A.S.) in Science for Forensics /Bachelor of Science (B.S.) in Forensic Science. The A.S. in Science for Forensics will be offered by Kingsborough Community College and is designed to provide students with a strong foundation in general and organic chemistry, general biology, physics, calculus, and general education so that students will graduate with the skills necessary for

academic success. The B.S. in Forensic Science is offered by John Jay College of Criminal Justice and is designed to provide academic and professional training for students seeking to work in forensic science laboratories as either researchers or administrators, or who are
