I. The minutes of the meeting of the Council held on December 1, 2009 was approved unanimously.

II. Reports

A. President's Report

President Peruggi announced that the budget crises at both the City and State levels will mean that we will have to cut \$1.2 million from our budget. We will not be initiating any new capital projects. We will also be stopping major purchases. Most of our funds have already been encumbered. This does not bode well for the coming academic year. The proposed cut of \$285 to FTE aid which would have brought us back to 2005 levels was rescinded and remains at \$2,545 per student. The state, in a worse predicament than the city, may not reach an agreement on the budget at all.

B. Committee on Instruction

1. The following resolution, presented by Prof. Sarinsky of the Committee on Instruction, regarding the adoption of a peer observation form for on-line instruction, was approved unanimously:
Whereas, Faculty teaching online courses should have the same opportunity to be peer observed as those teaching courses in the classroom:
Be It Resolved, The Committee on Instruction proposes the appended Peer Review of Online Teaching. (see Attachment A)

C. Legislative Committee

The Legislative Committee presented the respogS

election running Tuesday through Thursday, March 23- 25, 2010. Prof. Sokolow reminded the council members that all delegates, both current and those successful in the May elections need to be present at the May 25, 2010 council meeting. He also distributed election documents. (see Attachment C).

D. Committee on Strategic Planning & Budget
