Dear Ms. Morse:

Following the preparation of a self-study and a team visit in March 2006, the Middle States Commission on Higher Education acted to reaffirm the accreditation of Kingsborough Community College. The Commission, however, requested a progress letter, due by March 1, 2008, documenting: (1) evidence that direct methods of assessing student learning are being used

- Extend and expand faculty development
- Create a culture of success for students

events are being held each year, one for senior

is nearly complete. Developmental education

*Improving Mathematics Outcomes* - Math faculty are analyzing the results from an assessment project designed to link the skills acquired by students in Basic Mathematics and Introductory Algebra (both developmental courses) to College Algebra.

**Strengthening Student Preparation for the CPE**

*Faculty Development* - Each department has identified faculty members who are redesigning or creating new course assignments to promote the critical evaluation of

as well as quantitative materials required for students to achieve
