Reviewing, updating, modifying or terminating this agreement:

Review Chairpersons from both programs will review the agreement annually. They will interview student retention, progress to graduation including transitions between prerequisites, degree completion, and GPA. Modification or termination of this agreement requires the approval of both Chief Academic Officers from both institutions.

The agreement be modified or terminated. CSI School of Health Sciences shall honor the students who have already been accepted into and/or transferred into the B.S. in Nursing a period of four years or graduation, whichever comes first.

Tool of Professional Studies Registrar and the Nursing Program Chair shall produce metrics identified above and circulate to the following groups at both institutions:

Chief of Academic Officer, Associate Provost, Chair of Nursing Department, Director of Student Services, Director of Career Services, and Director of Admission and Advisement.

Health Sciences and Kingsborough Community College will publicize this opportunity for web-based materials and in marketing information. Additionally both institutions will participate in recruitment staff members as well as staff at the University Office of Admission Services. Recruiting events on-campus at Kingsborough Community College regularly.
