**Kingsborough Community College and New York City College of Technology
Transfer Articulation Agreement B.S. Applied Chemistry**

Agreement initiated by: New York City College of Technology, City University of New York

Sending College: Kingsborough Community College, City University of New York
Department: Physical Sciences
Program: Chemistry
Degree: Chemistry, A.S.

Receiving College: New York City College of Technology, School of Arts and Sciences, City University of New York
Department: Chemistry
Program: Chemistry
Degree: Applied Chemistry, B.S.

ADMISSION REQUIREMENTS

For admission into the Bachelor of Science in Applied Chemistry at New York City College of Technology (NYCCT, City Tech), a candidate:

Must have a minimum 2.0 cumulative grade point average (GPA) on a 4-point scale to be reviewed for admission.

Will be granted, upon acceptance into the B.S. in Chemistry Program at NYCCT, a total of 60 credits for the A.S. Degree in Chemistry from Kingsborough Community College (KCC).

TRANSFER CREDITS

Courses completed at KCC that are deemed equivalent to the B.S. in Applied Chemistry required courses will be transferrable provided a

A minimum of thirty (30) credits of which at least fifteen (15) major area of study must be completed at NYCCT.

Each transferring student is required to schedule an appointment for registration through the SMART system. At this appointment they meet with an advisor from the Center for Academic Advisement and Student Success (CAASS), who will clarify and chart initial progress toward degree completion. Subsequent to this first advisement meeting, each transfer student will be directed to the undergraduate advisor of the Chemistry department which time the student will be advised and provided with a program plan for graduation. The program plan will illustrate how to complete the B.S. in Applied Chemistry degree, with every effort made to ensure timely degree completion usually two years of full-time study or its part-time equivalent.

All students transferring to NYCCT are accountable for academic policy and procedure related to admission to the College, declaration of major/minor, and degree completion, as specified in the NYCCT Undergraduate Catalog at the time of entry and at the time of official declaration of major as appropriate.

The table on the following pages indicates the courses required for completing the B.S. in
