Dear Dr. Suss:

It is my pleasure to provide you with the enclosed copy of our
Articulation Agreement renewal. We are truly excited about our
partnership and look forward to working together in the years to come.

Thank you for all of your work in helping to bring this agreement
together.

Sincerely,

A handwritten signature in cursive script, appearing to read "Brian".

ARTICULATION AGREEMENT FOR THE TRANSFER OF STUDENTS FROM KINGSBOROUGH

COMMUNITY COLLEGE TO SUNY EMPIRE STATE COLLEGE'S BACHELOR'S DEGREE PROGRAMS AT STATE UNIVERSITY OF

NEW YORK EMPIRE STATE COLLEGE

Introduction

This articulation agreement assures that students completing an Associate in Arts (AA), Associate in Science (AS) or Associate of Applied Science (AAS) degree at Kingsborough Community College are able to transfer to SUNY Empire State College. This articulation agreement establishes procedures for graduates of Kingsborough Community College to obtain the appropriate bachelor's degree (BA, BS, and BPS) at SUNY Empire State College.

Objectives of the Agreement

1. To promote a seamless transfer of qualified (i.e. successful completion of all SUNY Empire State College admissions requirements) transfer students from Kingsborough Community College into a bachelor degree program at SUNY Empire State College.
2. To provide specific information for transfer students intending to pursue a bachelor degree at SUNY Empire State College.
3. To provide Kingsborough Community College students the ability to individually design their degree program using State University of New York and SUNY Empire State College guidelines to incorporate their own professional, educational and personal goals, regardless of their mode of study, once matriculated with SUNY Empire State College.

Terms of Agreement

1. SUNY Empire State College agrees, for those students who successfully complete an associate degree at Kingsborough Community College and meet SUNY Empire State College's admissions requirements, to accept the entire associate degree from Kingsborough Community College into a bachelor's degree. SUNY Empire State College's nursing program is selective and has additional program specific admission requirements.
2. Kingsborough Community College students must complete a minimum of 21 residency credits at SUNY Empire State College. Transfer credits (e.g. transcript and prior learning assessment) can be used toward a bachelor's degree, as long as these credits fulfill an approved degree program. Additional details are found in the Academic Guidelines section of this agreement.

literature clearly specifies the persons or offices to contact at each institution. Kingsborough

addition, advisors from SUNY Empire State College shall be available at appropriate times to explain educational opportunities available to students and provide transfer information.

4. This agreement becomes effective when all signatures are affixed and remains in effect for five years from that date (of last signature). At each anniversary of this agreement, Kingsborough Community College and SUNY Empire State College shall review this agreement and its implementation and shall discuss any amendments to the agreement or adjustments to their processes, as needed. Matters of concern that affect this articulation agreement should be

Kingsborough Community College for discussion and amendments.

5. The agreement may be amended or renewed by mutual agreement in writing. SUNY Empire State College and Kingsborough Community College will bring matters of concern that affect this agreement to the attention of the other Party's designated representative for discussion and amendments.

7. Each Party shall comply with applicable law and accreditation standards and policies in performing its obligations under this agreement.

9. This agreement is not exclusive to the Kingsborough Community College

10. SUNY Empire State College and the Kingsborough Community College agree that each is acting independently of the other, that they are not joint ventures, and that neither party is an agent or the other.

Guidelines of the Agreement

1. Students successfully completing degree requirements for an AA, AS or AAS and transferring in the entire associate degree will be able to transfer to SUNY Empire State College all credit earned for the associate degree, including "D" grades that are part of the completed degree. If

"D" grades are not transferable.

2. Students must complete a minimum of 21 residency credits at SUNY Empire State College (see

3. Any courses taken at Kingsborough Community College beyond the associate degree will be evaluated for transfer separately from the associate degree based on Empire State College's advance standing policies.

4. There is no statute of limitations regarding the age of acceptable learning substantiated by transcript except in some areas, technologies and science for instance, where that learning may be outdated and may not be accepted if it is crucial to the structure of a degree program concentration.

5. Students will be given the opportunity to complete all requirements for the bachelor's degree in a closely related area of concentration (as specified in Appendix A). For students who have completed associate degrees that are not closely related to the bachelor's degree, additional studies may be required to complete their degrees and, in these cases, transcripts will be evaluated on a course-by-course basis to achieve maximum transferability.

6. All students need to complete the application process and meet all admissions criteria before being accepted to SUNY Empire State College.

7. SUNY Empire State College will provide pre-enrollment advising and/or information sessions onsite and online as appropriate.

9. Kingsborough Community College will notify SUNY Empire State College of any substantive changes and/or alterations of the existing program; and/or modifications related to

accreditation status and/or program registration with registry agencies, if any, within thirty days of initial notification.

Academic Guidelines

At SUNY Empire State College, students self-design their Associate or Bachelor's degree using area of study guidelines and the State University of New York and Empire State College degree requirements.

Students pursuing a degree at SUNY Empire State College through this agreement work with an assigned faculty mentor to determine the most appropriate degree for their interests and goals and determine how best to apply the advanced standing credits and design their degree. Students may complete the degree planning process at any time once they matriculate at SUNY Empire State College, but must complete the process before the last 16 credits of their program.

Students must complete a minimum of 31 residency credits for a Bachelor degree at SUNY Empire State College. Fifty percent of these credits can be arranged to be completed through a cross-registration at another regionally accredited college or university.

Possible sources of additional Advanced Standing Credits:

- Individualized Prior Learning Assessment¹
- Transcript Credit from a Regionally Accredited College or University
- Standardized Exams, such as CLEP or other exams (see website for full list)²
- Military Credit Evaluated by American Council on Education (ACE)
- Other (see SUNY Empire State College website for full list)

	Minimum	Minimum	Minimum	Minimum	Minimum	Minimum
		Credits	College Credits	Level Credits	Credits in your Concentration	and Science Credits
B.A.	124	31	45	24	94	
B.S.	124	31	45	24	62	
B.P.S.	124	31	45	24	32	
B.S.N.	124	31	45	40	62	

curriculum.

- ❖ To meet the SUNY General Education policy, every SUNY Empire State College bachelor's degree program must have at least seven general education credits in each of the following areas:
 - Basic Communication.
 - Every student must take 4-8 credits in Educational Planning at SUNY Empire State College.

¹ Individualized Prior Learning Assessment (PLA) is credit awarded for verifiable college level learning acquired through work, life experience or independent study.

² Other standardized Exams such as CLEP and others.
